

CONDOLENCES ON THE PASSING OF HER ROYAL MAJESTY, THE QUEEN MOTHER, DR SEMANE B. MOLOTLEGI OF THE ROYAL BAFOKENG NATION

Royal Bafokeng Platinum (RBPlat) conveys its heartfelt condolences to the Bafokeng Nation's Royal family and to the entire Royal Bafokeng Nation, on the passing of the Nation's Queen Mother, Her Royal Majesty, Dr Semane Bonolo Molotlegi.

The Queen Mother, Mmemogolo, as she was affectionately known, epitomised the true meaning of a mother by her warmth and kindness, which inspired her determination, dedication and passion to improve the lives of her people. She engaged with everyone with humility, from the little child playing in the streets, to the CEOs of the different organisations that manage the affairs of the Nation, and her quiet strength and steadfast beliefs have resulted in a lasting legacy for generations to come.

In Setswana we say '*Mmangwana o tshwara thipa ka fo bogaleng*' - *a mother will go to great lengths to protect her children*, and this she did to the best of her abilities for all of us, her children. She was truly honoured in her life for her sacrifices and her commitment to the Nation, and we will continue to honour her.

Robala ka kagiso Mohumagadi. Kobo ke bolele, phate ke motlhaba. ROBALA KWENA!
