Your Majesty Kgosi Leruo Molotlegi,

CONDOLENCE MESSAGE

YeboYethu (RF Limited) is saddened at the news of the passing away of the esteemed Queen Mother of the Royal Bafokeng nation, Dr Semane Bonolo Molotlegi.

“Mmemogolo” as she was affectionately known ,was a formidable community builder, wise counsel to the Bafokeng nation and celebrated advocate for women empowerment as well as education advancement amongst many notable accolades. YeboYethu was designed with the express intention of grassroots empowerment, a passion shared by our Great Mother as she worked selflessly at huge sacrifice to overcome anomalies such as illiteracy, gender inequality, poverty and disease.

We are fortunate that over the years , through our engagements with the trusted team of Royal Bafokeng Holdings comprising of Mr Udo Lucht and Mr Katlego Kobue, we already observe her legacy of tenacity and commitment to socio-economic advancement.

On behalf of YeboYethu (RF Limited), I offer deepest condolences to Your Majesty, the Molotlegi Royal Family alongside the Bamagwato Royal Family, the Bafokeng nation and colleagues at Royal Bafokeng Holdings. We have no doubt that South Africa will continue to be inspired by “Mmemogolo’s” exemplary life.

May her soul Rest in Peace.
