Dear Kgosi,

Condolences to Royal Family and the Royal Bafokeng nation on the passing of the Queen Mother

On behalf of the team at Sunrise Energy, I wish to extend our deepest condolences to Kgosi Leruo Tshekedi Molotlegi and the Royal Bafokeng Nation on the passing of their beloved mother, Queen Semane Bonolo Molotlegi.

The tributes to the Queen Mother stand as a testament to her character, and her importance to so many throughout the country. Her impact was felt far and wide, and her legacy will live on in the lives of all those she touched through her philanthropic work.

The Royal Bafokeng Nation has played a critical role in making Sunrise Energy, Africa's largest open-access Liquefied Petroleum Gas (LPG) import and storage facility, possible. The facility stands as a living, modern example of the work of the great nation, in which the Queen Mother has played an exceptional part.

We wish the family and the nation strength and comfort during this difficult time. Our thoughts and prayers are with you. May the Queen's soul rest in eternal peace.

Yours faithfully,

Pieter Coetzee

Chief Executive Officer
