Your Majesty Kgosi Leruo Molotlegi,

CONDOLENCE MESSAGE

Vodacom Group is saddened at the news of the passing away of the esteemed Queen Mother of the Royal Bafokeng nation, Dr Semane Bonolo Molotlegi.

"Mmemogolo" as she was affectionately known ,was a formidable community builder, wise counsel to the Bafokeng nation and celebrated advocate for women empowerment as well as education advancement amongst many notable accolades. The Vodacom community pays tribute to the Great Mother and will forever be inspired by her legacy that upheld the great values of working inclusively to overcome anomalies such as illiteracy, gender inequality, poverty and disease.

On behalf of Vodacom Group, I offer deepest sympathies to Your Majesty, the Molotlegi Royal Family alongside the Bamagwato Royal Family and the Bafokeng nation. We have no doubt that South Africa will continue to be inspired by "Mmemogolo's" selflessness and sacrifices.

Robala ka kagiso. May her soul Rest in Peace.

I sincerely thank you.
