

## *Commemoration of Her Majesty Mmemogolo Semane Molotlegi*

*On Mmemogolo's birthday we wish to remember her as a servant leader who always led by example and embraced all of us.*

*She valued collectivity more than individuality. She was a person of good moral values who always followed and respected our constitution while upholding the importance of our traditions and culture.*

*She encouraged us never to raise our voice but our point of concerns to find solutions that accommodated everyone and uplifted our communities.*

*She encouraged self-sufficiency and the value of education among women and girls to enable them to empower their families and communities.*

*She always portrayed or displayed a true dignified and cultural appearance even in challenging environments, she was calm and humble.*

*A polite and non-judgmental person of few words but great actions.*

*Indeed tears may dry but memories will remain.*

*Rest in eternal peace mmemogolo. Long live your spirit amongst us long live. Robala ka kagiso kwena ya madiba.*

*With eternal love and fond memories*
