RE: Passing of the Queen Mother of the Bafokeng Family

King Leuro Molotlegi and the Royal Family,

You and the Bafokeng family are in my thoughts and prayers. Please know that wherever a beautiful soul has been there is a trail of beautiful memories. Memories of a beautiful soul and an amazing friendship with my friend the Queen Mother will forever be etched in my heart and head.

I am so grateful for the talking, laughing, shopping, planning, silence and joy of a very long and endearing friendship. For you, I am praying.

Sincerely,

Dorothy F. Bailey
Vice Chairman
